Director of Training and Education

SUBJECT: Senior Officer Development Course [REDACTED]

25X1

1. As you requested at our March monthly meeting, there is attached hereto an outline for a fall 1981 running of the Senior Officer Development Course (SODC). This outline reflects a course of 12-weeks which represents a reduction of five weeks from the schedule of the first running. Also attached is the course report and schedule for the last running of the Senior Seminar prior to its suspension in favor of the SODC. [REDACTED]

2. It is my recommendation that we proceed with the development of the shortened SODC for a fall running. If the second and shortened running of the SODC proves to be successful, I would see this course as a permanent replacement for the Senior Seminar [REDACTED]
